

# NOTICE TO GENERAL CREDITORS

I take this opportunity to advise that the Liquidator of Leadenhall Bank & Trust Company Limited was served with claims from the Class group in the Cash 4 Titles litigation in Florida.

The Class, totaling approximately 2,600, is presenting proof of their claims to be recognized by the Liquidator as a result of the default judgment in the amount of \$330,000,000.00 rendered against the Bank in the Florida Court. The documents have subsequently being forwarded to General Counsel in the liquidation for consideration.

Due to the receipt of these documents, the process to commence distribution for the general creditors of the Bank has been suspended until this matter is resolved.

Any approved creditor wishing to inspect the documents may do so between the hours of 9:00am to 5:30pm, Monday to Friday at the offices of the Liquidator situate at:

The Deanery  
No. 28 Cumberland Street  
Nassau, Bahamas
